

## **2021 LOW CAP RATE**

The Texas Property Tax Code requires all property to be appraised at one hundred percent (100%) market value. Also, under Section 11.1825 of the Texas Property Tax Code, the Chief Appraiser is required to use the income method to appraise property qualified as low-income housing.

Specifically, the appraiser must consider the restrictions on who may rent the property and the amount of rent to be charged. As of January 31, of each year, the District must give public notice of the cap rate to be used on all qualified low-income housing properties.

**The 2021 capitalization rate for DELTA COUNTY APPRAISAL DISTRICT is between 8.5% and 9.5%.**
