For school tax purposes, homestead exemptions for the over 65, disabled persons, and surviving spouse (if 55 or older), creates a tax ceiling prohibiting increased taxes on the homestead on **existing** buildings. *(Any new areas added to the home site will cause the ceiling to be readjusted in the next tax year.)*

The City of Cooper, Delta County and Delta County Road & Bridge have adopted local options as displayed above for the OV65, DP and SS (OV55) tax ceilings.

All homeowners with qualified homesteads are subject to the placement of a homestead cap which prohibits the increase of taxable value on the homestead property to ten percent per year. Market value can still be reflective of the real estate market.

DISABLED VETERANS

In addition to the residential homestead exemption allowable to disabled veterans with a 100% service connected disability, disabled veterans are allowed a general exemption on any property they own based upon the percentage rating as determined by the Department of Veterans Affairs. Current exemption amounts are:

DV RATING	EXEMPTION AMOUNT
0-29%	\$5,000
30-49%	\$7,500
50-69%	\$10,000
70-100%	\$12,000

Chapter 11 of the Property Tax Code discusses other allowable exemptions.
