For school tax purposes, homestead exemptions for the over 65, disabled persons, and surviving spouse (if 55 or older), creates a tax ceiling prohibiting increased taxes on the homestead on **existing** buildings. *(Any new areas added to the home site will cause the ceiling to be readjusted in the next tax year.)*

The City of Cooper, Delta County and Delta County Road & Bridge have adopted local options as displayed above for the OV65, DP and SS (OV55) tax ceilings.

All homeowners with qualified homesteads are subject to the placement of a homestead cap which prohibits the increase of taxable value on the homestead property to ten percent per year. Market value can still be reflective of the real estate market.

### DISABLED VETERANS

In addition to the residential homestead exemption allowable to disabled veterans with a 100% service connected disability, disabled veterans are allowed a general exemption on any property they own based upon the percentage rating as determined by the Department of Veterans Affairs. Current exemption amounts are:

DV RATING	EXEMPTION AMOUNT
0-29%	\$5,000
30-49%	\$7,500
50-69%	\$10,000
70-100%	\$12,000

Chapter 11 of the Property Tax Code discusses other allowable exemptions.
